

Medical Services for Asylum Seekers

For Assistance Contact:

Family Health Centers of San Diego

619-906-5363

asylumhealth@fhcsd.org

- Are you seeking asylum in the U.S.?
- Are you staying in San Diego County?
- Do you need health care services?
- There are programs to cover the cost of services.
- Receive medical services from a trusted doctor.

The Asylum Seeker Health Services Project is a collaboration between the CDPH Offices of Refugee Health and Binational Border Health, Family Health Centers of San Diego, and County of San Diego HHS Department of Public Health Services.
